LETTER.

THE CROFT SCHOOL,

BETLEY.

MY DEAR OLD FRIENDS,

It is with great reluctance I have decided that I can no longer keep the Budgets going. At the end of the year I shall be glad if someone else will undertake the work. This will mean that I shall also cease to belong to any of them as a member of the circle.

My work here is constantly increasing, and when I see a Budget lying day after day on my desk, without any possibility of my sending it on for an indefinite period, I realize that I must give up something, which just now means "Budgets."

Those of you who really care for news of us and our work can hear from me directly, whenever you like to write.

I shall never forget any of you, and I hope to meet some of you again one of these days.

The doors of the Croft stand wide open, and welcome awaits those who care for it enough to come.

With my love and most earnest good wishes,

Your sincere friend and fellow-worker,

M. L. HODGSON.

June 9th, 1904.
